Work Experience

La Sierra University *January 2009 – Present*

Student Graphic Designer

I am currently working at the University's Public Relations and Marketing Department. There I create elements for the both the school's printed and web presence, including brochures, logos, and photographs.

La Sierra University *July 2007 – June 2009*

Publications Editor / Art Director

For the past two years I've been an editor for my school's two major publications, the student directory and the University's yearbook. During this current school year I am the Editor-in-Chief as well as the Art Director.

Adam Lee Design *July 2008 – November 2008*

Design Intern

Adam Lee Design is a boutique design firm located in Corona, CA. As a Design Intern I worked on a number of projects, ranging from web design to printed collateral. During this internship I learned a lot about the Client-Designer relationship, especially when working in a small firm.

Monster Media, Inc. *June 2007 – September 2007*

Design Intern

Monster Media, Inc. is a large format printing firm, located in Riverside, CA, that specializes in vinyl vehicle wraps. While interning I focused mainly on the pre-press process, but was given the opportunity to design some vehicle wraps as well as some web graphics.

Education

La Sierra University *September 2005 – Present*

Bachelor of Arts, Graphic Design *Riverside, CA*

Currently in my fourth year at the University, my third year as a Graphic Design Major. The skilled professors here have given me a strong set of foundational design skills. My prospective graduation date is June 2010.
